1EdTech Certifications 2023
October 11, 2023

1EdTech is a community of leaders across all levels of education, government organizations, and edtech suppliers working together to improve digital teaching and learning. 1EdTech reviews organizations and provides certifications to verify the interoperability of various learning tools and ensure the responsible usage of data gathered.

SameGoal has several 1EdTech certifications, including the Seal of Data Privacy, making us a 1EdTech TrustEd App.

SameGoal meets the 1EdTech standards and is certified in all of the following:

- Data Privacy
- Competencies and Academic Standards Exchange (CASE) Service v1.0
- OneRoster 1.2
- Learning Tools Interoperability (LTI) v1.3
