AASCD Tool, EMIS Reports, DTD
November 4, 2020

We have recently made several updates that impact our Ohio users.

All users:

- **New AACSD Tool** - ODE recently published an Alternate Assessment Participation Decision-Making Tool. A link to this tool has been added to IEP Section 12. Learn more

Administrators:

- **Enhanced EMIS Reports** - Newly enhanced EMIS reports, including helpful record error messages and links to the document corresponding to each record are now available. Learn more

- **Improved DTD Transfers** - Due to enhancements in district enrollment status tracking, transferred documents may now remain undeleted while being filtered automatically from administrative reports. Learn more
