

22-23 SY End of Year Recap

*22-23 School Year End of Year Recap
June 26, 2023*

We hope you are ready for the summer. During the second half of the school year, We've had several updates and new features come out. Please find a list with links to learn more below.

- **Increased Access to Students Details Tab** - Users can save time and view students' demographic details without leaving SameGoal. [Learn more.](#)
- **Building Filtering in List Pages** - In addition to other filtering capabilities, users can also filter on buildings allowing for even more granularity when searching for students and documents. [Learn more.](#)
- **User Roles** - A big update for Admins and users this second semester is **User Groups** updating to **User Roles**, decoupling buildings from form default and maximum permissions. This allows administrative users even more control and an easier interface when updating user permissions. [Learn more.](#)
- **Translation Status in Document History** - Pro edition users have the option to use the translation feature. Users can now view the status of their translation in the Document History panel. After a user requests a translation, the Document History panel will show the different stages of the translation for the selected language (e.g. whether it is pending an admin approval or is waiting for a translator's review).
