23-24 SY End of Year Recap

23-24 School Year End of Year Recap
June 7, 2024

We hope you had a great year! A lot happened during the second half of the school year that we wanted to remind you about. Below you will find information about our biggest updates with links to learn more.

New and Improved Functionality

- **Multi-Domain Reporting:** Users with linked administrative accounts can run reports across multiple domains when logged into a district on the PRO edition. Learn more.
- **Buildings:** Buildings are now a first-class entity in SameGoal and are automatically updated nightly based on the SIS integration. Learn more.
- **Grade Levels:** Student grade levels are also now a first-class entity in SameGoal and are automatically updated nightly based on the SIS integration. Learn more.
- **Calendars:** Calendars were moved to a new location and now support building-specific calendars. Learn more.
- **User Email Filter:** A new filter has been added to the Users page (admin only) and the document Share tab which allows users to search for other users by email or username. This filter also supports searching for multiple users at once. Learn more.
- **Pronouns and Gender:** The student Details tab has been updated to include fields for preferred gender and preferred pronouns, and these fields could impact reporting, user bank substitution, and document prefill. Learn more.
- **Multi-Factor Authentication:** Districts may now opt to enable multi-factor authentication for all users. Starting July 1st, multi-factor authentication will be required for all users. Learn more.
