24-25 SY End of Year Recap

24-25 School Year End of Year Recap
June 6, 2025

We hope you had a fantastic year! The second half of the school year was full of exciting developments that we wanted to highlight. Below, you'll find key updates along with links for more details.

Feature Updates

- **Call-In Surveys:** In order to help us continue delivering exceptional support, we started sending short, optional follow-up surveys to users after they call the Help Desk. Learn more.
- **Version/Document History:** Version History now tracks document share events, permission changes, guardian share email status, and document views. Learn more. Additionally, we renamed Version History to Document History. Learn more.
- **Single-Line Default Banks:** Admin users can now save single-line district banks as default text. Learn more.
- **Asynchronous Bulk Printing:** When bulk printing documents, users can navigate away from the print preview page while the preview generates. Learn more.
- **Guardian Share:** When sharing documents with a parent/guardian, if the guardian email is stored in SameGoal, users will be able to select the guardian from a dropdown list and their name and email will populate the fields automatically. Learn more.
- **Document Access Requests:** Users can now request access to documents, including requesting a transfer of ownership. Additionally, document owners will still be able to transfer document ownership after they've lost access to the document (such as when a student moves to a different building). Learn more.
- **Caseload Filter:** There is a new filter on the Students / Create New page that will filter the list to only show students who have at least one document on the user's Caseload. Learn more.

- **Suggested Accounts:** If a user works in multiple districts, they can choose to have SameGoal remember their accounts. When logging in or adding a linked account, SameGoal will suggest saved accounts. Learn more.

Updates to Forms and Reports

- **AASCD Decision Making Tool:** The outdated AASCD decision-making tool was removed from the section 12 of IEP. New IEPs will only include the current version of the tool. Learn more.
- **Native Language Translation Request Forms:** Two new forms have been added for Special Education and Section 504 that can help track when a parent requests a translation for one of their child's documents. Learn more.
- **Medicaid Coordination Reports:** Several new Medicaid Coordination reports have been added under Reports > Medicaid Coordination. Learn more.

Announcements and Reminders

- **Planned IP Migration:** On 7/1/25, SameGoal services will transition to a larger IP block. Depending on district IT policies, some districts may need to add our new IP blocks to one or more allow lists. Learn more.
- **Special Education Form Updates Coming Soon:** Ohio Department of Education & Workforce (DEW) is currently in the process of revising several special education forms and we will release updated versions as they are finalized by DEW. Learn more.
- **EOY Tips and Reminders:** If you haven't already, review our list of tips and reminders for the end of the year. Learn more.
- **Fall Refresher Schedule:** Our fall refresher training schedule has been announced and you can now register for sessions. Learn more.
- **Scheduled Maintenance:** SameGoal will be offline for routine maintenance starting on 7/3/25. The maintenance window extends through 7/7/25. Learn more.
