New Translation Languages
August 9, 2024

Increased language support has been added for the translation feature* and we now support an additional 21 languages!

We recently announced that we added support for Arabic, our first right-to-left language. Now, we are very happy to inform you that several other right-to-left languages have been included in this update.

We added support for the following languages:

- Bengali
- Gujarati
- Hausa
- Hebrew
- Kannada
- Khmer
- Lao
- Malayalam
- Myanmar
- Odia (Oriya)
- Pashto
- Persian (Farsi)
- Punjabi
- Sindhi
- Tamil
- Telugu
- Thai
- Urdu
- Uyghur
- Yiddish

You can see the full list of supported translation languages on the translation support page.

** The translation feature is available to all districts on the Pro edition of SameGoal.*
