Recent OH Form Updates
February 10, 2023

Recent updates have been added to some of the OH forms. These updates are listed below.

- **PNP: Computer-Based Testing Accessibility Planning Tool (rev 01/2019)** - The form has been revised. Users may need to update their user permissions to include access to the revised form by visiting **Settings** in the left menu > **User Groups** > selecting the default, max, and building permissions > click **Save** at the bottom of the page.
- **Section 504 Updates** - The Section 504 EMIS at a Glance and Section 504 Rights have been added to all districts. Learn more.
- **WEPs** - Parent signatures are no longer required in order to mark a WEP complete.
