

Web Push Notifications

Web Push Notifications

November 15, 2024

We are very excited to announce that in the coming weeks, we will be rolling out **Web Push Notifications** to all districts!

This will allow users to see notifications from SameGoal even when they are not actively focused on their SameGoal tab(s). Users may opt to receive **Web Push Notifications** by updating their **Notification Settings**.

Steps *To configure your notification settings:*

1. Click on the bell icon [🔔] in the top right of your screen.
2. Click on the settings icon [⚙️] in the top right of your notifications tray.
3. While on the Notification Settings page, check or uncheck the checkboxes to specify how you would like to receive notifications for each notification type.
 - To opt into **Web Push Notifications**, select the checkbox under the [📧] icon.¹
4. Your changes will save automatically.

Changes to notification settings will go into effect immediately and any future notifications will be sent via preferred method.²

Below are listed all the notification topics that you can receive. For each topic, notifications will be delivered via the methods selected on the right. Unsubscribe from a topic by unchecking all checkboxes next to it.

Topic	Notification when			
Bulk Actions	A long-running bulk action has completed	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Document Share	A document has been shared with you	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Guardian Activity	A guardian has modified field(s) on a document for which you are an owner	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Meeting Mode	A meeting mode view has been shared with you	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Translation Requests	A document translation request has been made for you to approve or deny	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

¹ *If you enable **Web Push Notifications**, you may get a popup asking you to allow notifications. If you do not allow notifications for SameGoal, you will not receive web push notifications.*

² *If you do not begin receiving web push notifications after enabling them, you may need to check your browser or device settings.*
