User Experience Survey

User Experience Survey
October 30, 2025

User feedback plays an important role in shaping SameGoal. As our system continues to evolve, input from districts helps us identify opportunities for improvement and guide future enhancements.

To help us better understand the end-user experience, we're conducting a brief User Experience survey. Participation is optional and should only take a couple of minutes. We'd greatly appreciate you taking the time to share your feedback!

Take the Survey

Tip This survey will be available through November 30th.
