

TCASE Convention

*TCASE - Great Ideas Convention
January 31, 2024*

The TCASE - Great Ideas Convention is the premiere event for special programs leaders across Texas. This convention is a great place to network and learn about special program best practices - and SameGoal is going to be there!

The convention is being held February 5th through February 7th, and SameGoal will be there for the first two days (Monday and Tuesday). We will be located at vendor booths #60 and #61. If you have any questions about SameGoal, we highly encourage you to stop by and talk to our team members about the program.

Additionally, if you know anyone from other districts who might be interested in learning more about SameGoal, please invite them to stop by Suite 204 where we will be giving product demonstrations during the exhibitor breaks. Our SameGoal representative in Suite 204 will also be available in between the exhibitor breaks to answer any questions you may have.

We look forward to seeing you!
