Daily Accommodations Logs
August 22, 2025

We're excited to share that we've added four new **Daily Accommodations Log** forms designed to make it easier for teachers and staff to document accommodations provided to students each day:

- IEP Daily Accommodations Log
- Section 504 Daily Accommodations Log
- RTI Tier 2 Daily Accommodations Log
- RTI Tier 3 Daily Accommodations Log

Each form can pull accommodations directly from the student's associated plan document (IEP, Section 504 Plan, Tier 2 RTI Plan, Tier 3 RTI Plan), and staff can quickly record when accommodations were provided on a daily basis, with the option to add comments for additional context.

These logs are organized by week, with separate sections for each grading period. Additionally, each grading period includes a signature section that can be added for staff to sign off on the accommodations.

If multiple teachers will be providing the same accommodations, multiple logs can be added for each grading period and teachers can work on their own log in the same document. Otherwise, each teacher can have their own **Daily Accommodations Log**

document created as multiple of these documents can be open at the same time.

 **Tip** With the addition of new forms, administrative users will need to update user role permissions in order for them to be accessible to non-admin users.
