

FBA Consent Form

Special Education FBA Consent Form
May 10, 2024

A Functional Behavioral Assessment is conducted to determine why problem behaviors occur and if a Behavior Intervention Plan needs to be developed for a student.

We've added a new **Consent for a Functional Behavioral Assessment** form for special education that an LEA can use to obtain parent consent if an FBA is requested.

💡 Tip With the addition of new forms, administrative users will need to update user role permissions in order for the forms to be accessible to non-admin users.
