Setup SIS Integration

Most districts/charters beyond several hundred students find integration beneficial.

Main integration types

- Demographics integration
- Document viewer integration

Streamlined integration setup

SameGoal provides streamlined integration setup for the following student information systems.

- eSchoolPLUS: demographics, document viewer
- Infinite Campus: demographics, document viewer
- PowerSchool: demographics, alerts/document viewer
- ProgressBook: demographics integration
- Skyward SMS: demographic integration
- Skyward QMLATIV: demographic integration

General integration setup

Use our general integration setup with any other student information system (eg Focus, TxEIS, Frontline, eg).

- Demographics integration
- Document viewer integration
