Timeline Exceptions/Additional Considerations

- [2] A meeting to review/revise the EP may be held more frequently if necessary, but always must be held when a student transitions to a higher level (i.e. middle to high school).

[1] Consent for Services

If a student is Twice Exceptional, **Consent for the Initial Provision of ESE Services: Disability and Giftedness (Twice Exceptional)** may be used to satisfy the "Consent for Services" deadline instead of **Consent for the Initial Provision of ESE Services: Giftedness** by doing the following:

In "Consent for the Initial Provision of ESE Services: Disability and Giftedness (Twice Exceptional)",

- "DATE DISTRICT RECEIVED" satisfies due date
- One option under the "Giftedness" portion of "CONSENT" is selected
