Assessment Decisions

TEA Middle-of-Year (MOY) Checklist

Middle of Year (MOY) - Assessment Decisions

In SameGoal, you can use an **LPAC Decisions Regarding Assessments** document to help assess a student's understanding of different topics to determine what assessments and accommodations they need.

Steps *To complete MOY documentation in SameGoal:*

1. Create an **LPAC Decisions Regarding Assessments**.
    - There are two form variants; one for **Grades K-5** and one for **Grades 6-12**. Use the correct variant based on student grade.
    - Tip : If you need to create several at once, you may bulk create them.
2. Hold a meeting.
3. Enter assessment and accommodation information.
4. Share the document with required educators for signatures.
5. Mark document complete.

If your district uses a TestHound integration, assessment requirements and accommodations from these forms will flow to TestHound once the document is marked complete (integration runs nightly).
