samegoal

Functional Behavioral Assessment

This form is designed to help districts meet requirements to conduct an FBA, as documented in:

- SPECIAL FACTORS: **AUSTISM**
- SERVICES DURING PERIODS OF REMOVAL: **REMOVALS THAT ARE A CHANGE OF PLACEMENT**
- WHEN BEHAVIOR IS A MANIFESTATION

While the Partners Resource Network provides resources on behavior assessment, plans, and positive supports, it nor TEA provides a model FBA form. The form included in SameGoal is designed to meet generally understood requirements for FBAs. See IRIS Center FBA resources
