Reset your password

If you log in with an email address and password specific to SameGoal, you can use the steps below to reset your password. If your district has configured Single Sign-On or LDAP/Active Directory, you must reset your password within the district (contact your IT team if you are not sure what the process is for your district).

Steps *To reset your password*

1. Visit your district login page (or search for it in the district directory)
2. Click the **Forgot password?** link in the bottom right.
3. Enter the email address associated with your SameGoal account.
4. Enter the CAPTCHA solution.
5. Click the **Reset password** button. You will receive an email containing a link to reset your password.

Tip Create a strong password to help protect your account. See password requirements.
