

Reset Password

Reset your password

- If you login with an email address and password specific to SameGoal, use the steps below.
- <u>Q</u> Tip If your district has configured single sign on or LDAP/Active Directory, you must reset your password within the district (contact your IT team if you are not sure what the process is for your district).

Steps To reset your password

- Visit your district login page (or search for it in the district directory)
- Click the "Forgot password?" link in the bottom right.
- Enter the email address associated with your SameGoal account.
- Enter the captcha solution.
- Click the **Reset password** button.

You will receive an email containing a link to change your password.

• **Q** Tip Create a strong password to help protect your account. See password requirements.
